

Ya Linda

Faydee

You're a shooting star
Passed me by without a sound
No matter where you are
You're always high above the ground
You're so beautiful
But you don't know how much you are
You're a miracle
You're like no other around

Hey baby,
Everything is okay
You don't have to worry
No more, no more, no more
I'll be right here
Making sure you're okay
No more Mrs Lonely
No more, no more, no more

Te quiero, amarte por siempre mi amor
Forever with you, I'll be with you
Te amo mi vida, estoy a tu lado
Forever with you, I'll be with you

Oh I-I don't know how to describe
How I'm feeling inside
Ya Linda, ya Linda, oh Linda
I-I don't know how to describe
How I'm feeling inside
Ya Linda, ya Linda, oh Linda

You're an ocean view
Or nothing but the riverside
They don't compare to you
I wish you could see it through my eyes

Hey baby,
Everything is okay
You don't have to worry
No more, no more, no more
I'll be right here
Making sure you're okay
No more Mrs Lonely
No more, no more, no more

Te quiero, amarte por siempre mi amor
Forever with you, I'll be with you
Te amo mi vida, estoy a tu lado
Forever with you, I'll be with you

Oh I-I don't know how to describe
How I'm feeling inside
Ya Linda, ya Linda, oh Linda
I-I don't know how to describe
How I'm feeling inside
Ya Linda, ya Linda, oh Linda

Don't be afraid, take my hand

I'll see you through, I'll be there for you
Don't matter what people say
They don't see what I see and you see what I see and you...

Te amo mi vida, estoy a tu lado
Forever with you, I'll be with you

Oh I-I don't know how to describe
How I'm feeling inside
Ya Linda, ya Linda, oh Linda
I-I don't know how to describe
How I'm feeling inside
Ya Linda, ya Linda, oh Linda

You're a shooting star
Passed me by without a sound
No matter where you are
You're always high above the ground
