Faydee

She's a diva, yeah uh  
She knows what she wants and baby she's a keeper, yeah uh  
The type of girl you wanna take home to your mama  
She's a go getter  
Above the drama  
When we're together  
We complement each other

Aah Aah, na na na  
I met her in Beyrouth  
Aah Aah, na na na  
I can't get over you
