

Alone Again

Faye Webster

Alone again
I could see somebody coming a mile in
I've lost so much more than I'll admit
So I'm just sitting here alone again

Alone again
Maybe I'll visit my dad this weekend
We haven't been that close
Since you stepped in
But now I've got so much time alone again

Alone again
My mind's empty as the room I'm sleeping in
I covered my window
Now my plants are dead
So they know how I feel
Alone again

Alone again
I'm tying my shoes for the fun of it
I'm talking to my dog
Just crying
But the more I speak the more I feel alone again
What am I doing
Alone again
How could you leave me
Alone again?

Alone again
Alone again
