

Both All The Time

Faye Webster

Will I stop crying for once?
It's hurting my eyes
There's a difference between lonely
And lonesome
But I'm both all the time
Yeah, I'm both all the time

I don't let myself out
But I like it like that
I don't get the point of leaving my house
'Cause I always come back
Yeah I always come back

And I'm too scared to look
I never know what happens
So I keep rereading the same book
'Cause I know how it ends
Yeah I know how it ends

I'm loneliest at nights
After my shower beer
And I'll go to sleep without
Turning out the lights
Pretend like somebody's here
Pretend like somebody's here
