

Feeling Good Today

Faye Webster

I'm feeling good today
I ate before noon
I think that's pretty good for me

I'm gonna see my brother
He's got a new girl
But he's good at making time for me

I might open my doors
I got a exterminator
So it doesn't matter if bugs come in

That way my dog goes outside
My neighbors know his name
Thought that was weird but I'm over it

I got paid yesterday
I'll probably buy something dumb
Because I am pretty childish

But all my friends are the same
Just find us something to do
Find a new hobby just to ditch it
