

# Jonny

Faye Webster

I'm losing my mind  
Why the hell did I paint these walls white?  
And I wonder, what's the point of this life?  
Sometimes I'll pray but I will never close my eyes

I want to be happy  
Find a man with an old name just like me  
And get over how my dog is my best friend  
And he doesn't even know what my name is

Jonny, did you ever love me?  
Jonny, help me figure it out  
Not that I've paid attention  
But you haven't said it out loud  
Jonny, do you see what you're doing?  
What you're making me think about?  
This wasn't 'posed to be a love song  
But I guess it is now

Jonny, maybe you'll never hear this  
Or maybe it's stuck in your head  
Well, I hope it makes you cry  
The way that I did

Jonny, did you ever love me?  
Jonny, help me figure it out  
Not that I've paid attention  
But you haven't said it out loud  
Jonny, do you see what you're doing?  
What you're making me think about?  
This wasn't 'posed to be a love song  
But I guess it is now, isn't it?
