

# Lifetime

Faye Webster

Can't imagine me  
Before you

In a lifetime  
In a lifetime

When I said I knew him  
Didn't really mean it

In a lifetime  
In a lifetime

Every minute  
You are in it

In a lifetime  
In a lifetime

No conversation  
I get you, verbatim

In a lifetime  
In a lifetime

In a lifetime  
In a lifetime

In a lifetime  
In a lifetime

In a lifetime  
In a lifetime

In a lifetime  
In a lifetime

In a lifetime  
In a lifetime

In a lifetime  
In a lifetime

In a lifetime  
In a lifetime
