

So Easy

Fazerdaze

It's so easy to escape my mind with you
It's so easy to stay up all night with you
It's only in the dark we feel this way
It's only in the dark we start to feel this way

Inside me all the time
It's in the back of my mind
Am I only dreaming?
I find it so easy
Inside me all the time
I let the hours fly
Am I only dreaming?
I find it so easy

It's so easy when I lose myself in you
We're just dreaming trying to undo reality
I know they try to make it hard to feel this way
It doesn't have to be so hard to feel this way

Inside me all the time
It's in the back of my mind
Am I only dreaming?
I find it so easy
Inside me all the time
I let the hours fly
Am I only dreaming?
I find this so easy

It's everything I know we really shouldn't be doing
But it's so easy
It's everything I know we really shouldn't be doing

Inside me all the time
It's in the back of my mind
Am I only dreaming?
I find it so easy
Inside me all the time
I let the hours fly
Am I only dreaming?
I find this so easy
