

Take It Slow

Fazerdaze

It seems so far already
It seems so far ago
I don't know if I'm ready
I'll take it slow

Take it slow
Take it slow
Round and around we go
Take it slow

And when we're lost together
We seem so far apart
I don't know where we headed
We'll make a start

Take it slow
Take it slow
Round and around we go
Take it slow
Take it slow
Take it slow
