Nigga be looking so sick cause I look like a check when I hop o
ut the foreign
Aye nigga wanna know what I'm doing dope what I'm smoking bitch
know that purp what I'm pouring
AYE that's your bitch she going, woah I'm already knowing nigga
probably see me before I see them
Keep going cause they know I see them I'm blowing, we ain't jum
p gang nigga now you know I gotta killas
That will do your ass bogus with me, boy now you know I can't l
ack can't go like that gotta keep something loaded with me
I was just tryna bust a lil bitch down but gang came in and run
her over with me
Gun so motherfucking big with a lot of kickback that folks gott
a blow it with me
Yeah, you need to slow down you say you heating up to much like
fuck that shit
Mother fucker think we won't run in they house till we treat it
like blitz then rush that shit
With 2 fully loaded automatic guns don't try to run 'less you w
anna to see me bust that bitch
Folks just put me on a stain cross tracks ah you ain't get that
nigga run that shit
Aye nigga just realize them nigga fu who they run with we ain't
with that tough shit
Me and my niggas come get ill put my shooter on your ass come t
hrough slump shit
Fool said that the news said who ever was shoot shot some dumb
shit
So please be calm bitch you don't want that conflict all black
gun like Akon you can be convict
I can tell I got the millies coming just how my palm itch and I
ain't gone stop to me and my niggas run shit
