

Lean

FBG Duck

I like sipping on lean
My pop dirty but shit inside my pop clean
Drinks like popping that pussy, you know that pussy ain't clean
I try to tell the bitch to take care her hygiene
She try to tell me I'm mean

She act like she not, but she on my dick
I treat her like shit, because bitches ain't shit
Boyfriend broke, and bitch I'm rich, okay, (watch this)
I ought to roll on a bitch
Slight little 20, but she ain't never seen no money like this

I spent 200 on a little deuce or wop
I admit I'm addicted to lean, I can't stop
Climb all the way from the bottom, now, look at me, bitch, I'm at on top
I fuck around and walk into Gucci, spent that same 200 on socks
I don't care what you're doing, look at that cup there
Boy you can die if I say that's what up there
Haters be like, Duck was broke, they don't got it
I see it all in they faces, they say, that nigga really made it
I love lean so much, hold on, I gotta take a break to taste it

I like sipping on lean
My pop dirty but shit inside my pop clean
Drinks like popping that pussy, you know that pussy ain't clean
I try to tell the bitch to take care her hygiene
She try to tell me I'm mean

She act like she not, but she on my dick
I treat her like shit, because bitches ain't shit
Boyfriend broke, and bitch I'm rich, okay, (watch this)
I ought to roll on a bitch
Slight little 20, but she ain't never seen no money like this

I was broke, now look at me
Niggas know where to look for me
Run up on me, I put 5 in your face like Booker T
Say you got it, nigga please
From my enemies, who went from playing with 22 to what they got at Mickey D'
s
Bitch that's a big mac
When I shoot it, bitch got kick back
12 took the Glock with the switch, wish I could get that bitch back
You let your bitch see me, you'll never get your bitch back
I barely wear this shit, but all my designer mismatch

I like sipping on lean
My pop dirty but shit inside my pop clean
Drinks like popping that pussy, you know that pussy ain't clean
I try to tell the bitch to take care her hygiene
She try to tell me I'm mean

She act like she not, but she on my dick
I treat her like shit, because bitches ain't shit
Boyfriend broke, and bitch I'm rich, okay, (watch this)
I had to roll on a bitch
Slight little 20, but she ain't never seen no money like this
