

## Let's Talk

FBG Duck

Niggas wanna talk about death, well let's talk about it  
Fuck all your dead homies, I know ya'll niggas feel lost without them  
Niggas wanna talk about guns, well I don't walk without it  
Try me and then find your body in a alley with white chalk around it  
Niggas wanna talk about shooters, well your shooters ain't on shit  
Fuck a shooter I hang with killas I know ain't gonna miss  
Niggas wanna talk about bitches, you better watch what you say to that bitch  
Every niggas smoking tooka I swear to God imma make ya'll pay for that shit  
Niggas wanna talk about murders? how many body's you got?  
How much blood on yo hand? how many people you shot?  
Niggas wanna talk about rappers, well I know rappers bitches  
Let a nigga try and take my shit, he'll never be forgiven

Like you let a nigga take your shit and you still forgave that nigga (I can't do that route)  
Like that's that industry shit nigga  
Nigga try and take my shit, then shooters at his front door

Niggas wanna talk about loyalty, well I know niggas fuck  
Change on your crew, that's what bitch niggas do  
Niggas wanna talk about heart, well bitch I got a tough one  
Riding round with that thirty, on the opp shit trying to slump some  
Niggas be cuffing these hoes, same bitches I make suck some  
Riding round with that jeep keene [?] see a opp bitch I'mma buck buck  
Niggas wanna talk about snitching, well, we know Tay a snitch  
But y'all knew that, ain't really had to say that shit  
Niggas wanna talk about gangsters, boy shut the fuck up  
BD's turn to GD's, GD's turn to BD's, what the fuck?  
Niggas wanna talk about trust, well, I don't trust no nigga  
Cause the same nigga that you trust, be the same nigga get you that sentence  
Wait...

Like, you see the [?] with them niggas here, right?  
I bet you niggas still gone hang together too when you niggas get out  
I mean, that's if you niggas get the fuck out  
Like, this ain't no shit I need to be laughing at either nigga  
But you niggas lead yourself up that path  
Like, you went to the edge of that motherfucking cliff  
Like you jumped your motherfucking self, you goofy ass niggas

You know how I'm rocking on that same shit, that gang shit, bit  
ch

Let's talk...
