Or Not

FBG Duck

Okay this bitch...
Face!

Okay this bitch, all in my face, a lot
Why you always in my space, a lot
He ain't home, fuck it, we gone wait, in the lot
We gone see if his ass can take, some shots

Okay, my bitch ass so fuckin' on, she knock off my socks
She ain't even ask, okay, but fuck it, let me taste yo box
Don't think you got no goofy cause I play, a lot
Shut up, bitch, you gone give me face, a lot

My bitch said she got ten
On my neck a cool ten
That bitch bird like Gucci-Mane, end up with my hooligans
Mirror hoe, all up in my space, I need space, bitch
I'm a grown man, need to find somebody else to play with
Fuckin' up the street, in a spaceship
Ridin' down the block, me and bro, like we racin'
Had to duck that bitch, she was basic
These niggas see, they can't take it, we made it
Bitch say she love me, put her on the waitlist

Okay this bitch, all in my face, a lot
Why you always in my space, a lot
He ain't home, fuck it, we gone wait, in the lot
We gone see if his ass can take, some shots

Okay, my bitch ass so fuckin' on, she knock off my socks
She ain't even ask, okay, but fuck it, let me taste yo box
Don't think you got no goofy cause I play, a lot
Shut up, bitch, you gone give me face, a lot

Ayy, lil bitch, don't front your moves
Teach yo ass some lessons, school
Niggas mad we flexin' cool, blew
We got all the clout, that's why they chase a lot
And a lot of fuckin' money, that's why they hate a lot
Okay, yo bitch ass so good, she knock me right the fuck out
Soon as I get my nut, I kick her right the fuck out
Yeah, heater, new freezer
Yeah, I'm iced the fuck out
My diamonds shine in the dark, turn the lights the fuck out

Okay this bitch, all in my face, a lot
Why you always in my space, a lot
He ain't home, fuck it, we gone wait, in the lot
We gone see if his ass can take, some shots

Okay, my bitch ass so fuckin' on, she knock off my socks
She ain't even ask, okay, but fuck it, let me taste yo box
Don't think you got no goofy cause I play, a lot
Shut up, bitch, you gone give me face, a lot
