

Running Man

FBG Duck

I put a hunnid' inside of a handgun, it'll make you do the running man
These niggas bitches, Juwanna Mann
Somebody bitch home I ain't want again
Left hand on her head, while I play with her pussy with my other hand
These niggas pitches too underhand
The shit I go through you won't understand
Bitches be bugging bout how much a motherfucker love me
I told the bitch, "Fuck me like you mean it"
Gotta watch for niggas scheming
My brother keep telling me that but I already seen it
Since you say you love me, act like you really love me
And I'mma fuck you like I mean it
Pussy niggas didn't believe us so we made them niggas believers
Now you should see 'em

You niggas didn't believe us, young niggas some fools
That shit not cool, I take that shit disrespectful and I'll take your Ruger
Nigga you better than who? (Who?)
Please tell the truth
Boy don't act like I won't up this fucking tool and put your ass right on the news
You cam shot out your shoes
Just incase you try to run, I'll put the shooters on the roof
Nigga your life don't mean shit to me
And right now you acting like it don't mean shit to you
Niggas bitches everybody calling back to back
Steady tryna give a nigga proof
But I been knew, niggas was bitches
Who the fuck you think you telling that to?

I be killing these niggas then I tell they mama, "Sorry"
I be certain most of these niggas should go on Maury
Niggas know they can't fuck with me
I don't know why they still playing games
Pussy ass niggas steady switching lanes
I rep the same thing, Tooka fucking gang (Money!)

I put a hunnid' inside of a handgun, it'll make you do the running man
These niggas bitches, Juwanna Mann
