

I was rolling round with 30 shot toolies  
I know the niggas out here tryna do me  
I ain't going like a goofy they better leave me alone

I was rolling round with 30 shot toolies, I know the niggas out here tryna do me, I ain't going like a goofy they better leave me alone, If a nigga gotta shoot it I won't hesitate to shoot it, I just looked my mama in the eyes the other day, and she told me I'm a man before anything so I gotta be strong, and I can't let them see me down (oh no no no)

We been rolling round with 30 shotguns, catch a opp beating the y ass we was doing this shit for fun, then I went and had my first son, noticed that I had a job and I gotta get it done, we'll pull up on you hanging out the window, with them sticks making niggas duck but we ain't playing limbo, nigga I'm a big dog you are just a bimbo, ever since I got famous I tinted all my windows

I was rolling round with 30s , toolies, I know the niggas out here tryna do me, I ain't going like a goofy they better leave me alone, If a nigga gotta shoot it I won't hesitate to shoot it , I just looked my mama in the eyes the other day, and she told me I'm a man before anything so I gotta be strong, and I can't let them see me down (oh no no no)

Deep down them niggas knowing not to play with me, cause they know they bitch stay with me, and everything they tell you make believe, I miss my brother yea I think about him faithfully, a lot of rats on me looking like I brought the bank with me, and I stand on my own 10, I ain't on no lil boy shit bitch I'm a grown man, got off my ass and got my own bands, I ain't ask for no hand outs I don't like to hold hands
