

I had a dream I was rich as hell  
But I was broke as fuck when I woke up  
Don't try to tell me what the fuck niggas said  
Cause really I don't give no fuck  
Matter fact go tell them niggas its not bout the money then please stop bringing me up  
Niggas need to worry bout why they pockets on e  
And please stop mentioning Duck

What the fuck, what the fuck  
What the fuck, what the fuck  
I bought a chopper for all of my problems  
So we got a problem please let me know  
Niggas want beef with me not over money  
These niggas try beef with me over a hoe

Ain't got time to beef with a nigga especially if its not about the paper  
Naw I'm lying bitch, I'm a bully and I hang around a whole lot of takers  
I got head from this bitch and kicked her out  
You tried to save her  
You talk down on me behind my fuckin back you a hater  
Who the hell, why the hell they talking down on SL  
Like we wasn't givin shells  
Bitch I only make this cause people said I wasn't gettin money  
Got a Audi I don't need a drive  
You people too damn fun

I had a dream I was rich as hell  
But I was broke as fuck when I woke up  
Don't try to tell me what the fuck niggas said

What the fuck

Play with us get your stupid ass shot up  
Like is you serious, boy really over her  
Do you think that bitch gon care if we fuck you up  
Choppa brrrrr-oww- fuck you up  
We will put you underground you stupid fuck  
Headshot will calm you down you think you tough  
I remember those days I was broke as fuck  
Now Ben Franklin in my ear like run it up

I had a dream I was rich as hell
