

## Feelings Of Desire

FDK

Whole of my life  
I`m looking for the lust  
To help me find to be  
to be really me

I see it in echos  
of dreams which awake me  
Tryin` not to be seen  
Tryin` not to be me

In the depth of night  
feelings of desire  
make me want to know  
something I can`t take

Can I touch the sun ?  
I can burn the sky forever!

Can I love the hate ?  
I can feel the death however!

Can I blind the moon ?  
I can dry the sea by crying!

I don`t need to know,  
why people live for dying!
