

Gas Will Blow You Away as Only Brakes is Boring

Fear, and Loathing in Las Vegas

Keep hitting the gas
90 miles, 100 miles, more and more
Scared by now?
Keep hitting it
Yup, yup, yup, keep going towards hell

Balance is what counts no matter what you do

Break through the guardrail
And go upside down at the bottom of the canyon
Break through the guardrail
And go upside down at the bottom of the canyon

Brakes for gas
Honesty for the flirty
Reason for instincts
The balances are functioning in us

The gap between the ideal balance
The gap between...

It's always yourself that controls the conflict
That sense of balance make a person's profile
How do you want to be? do you want to be?
And how do you always end up?

Just hitting the gas will blow you away easily yeah
Just hitting the brakes is fuckin boring
Keep making the ideal speed oh
At times
At times you can just tilt and push the envelope

Hitting the gas will blow you away easily yeah
Just hitting the brakes is fuckin boring
At times you can just (can just) tilt and (tilt and)
Push the (push the) envelope (envelope)
Your sense of balance will attract people

Stop

That awesome guy (guy) who is full of hot air (air)
Can't tell if it's true or (true) just a joke but (but)
He's he's he's he's (he's) surrounded by smiles (smiles)
Making our back stretch (stretch)
When he makes serious faces (faces)

Depends on (The) balance (foolish, foolish, foolish)
Stop being foolish
(Honest, honest, honest)
Just be honest Just be honest (foolish, foolish, foolish)
Stop being foolish (honest, honest)

There is nobody with only one side

Like the way he looks
How you wanna be
Can't change emotions easily but

Be aware of the (Tension) you keep tension you keep
The interesting ones are enjoying themselves as well
Make yourself that could enjoy yourselves
Just be aware of the tension you keep

Who's talking inside (side) (side)
Who's talking inside your head?
Not an angel or devil
There is no (no) (no) good or bad in the good or bad
In the first place Alright! Brakes for gas (for gas)
Honesty for the flirty
Reason (Reason) for instincts
Be at the wheel you know
(The wheel) (Be at the wheel you know)
To keep being (To keep being)
To keep being who you wanna be
