

Cognitive Dissonance

Fear Factory

Free will is a lie
Compliance paradigm
Existential dissonance
Becoming socially justified
Leading to our cultural demise

Threatening morality
Causing mental suffering

Why do you enforce your laws on me?
Disguise your lies as the truth to me
Run 'cause I'm taking you down with me
This is my life

God damned and condemned
Severe consequence
Prophetic dissonance
We lack the empathy for mankind
Open
Open
Open
Open your eyes and understand

Distorted reality
Causing mental suffering

Why do you enforce your laws on me?
Disguise your lies as the truth to me
Run 'cause I'm taking you down with me
This is my life

Fucking madness surrounding me
Perverted eyes and sharpened teeth
Tearing down society
Blurring lines to disparage me

Threatening morality
Causing mental suffering

Why did you enforce your laws on me?
Disguise your lies as the truth to me
Run 'cause I'm taking you down with me
This is my life
This is my life
