Dark bodies floating in darkness

No sign of light ever given

Imprisoned in a world without a memory

Unconscious, or am I conscious?

Cut from the heart I am part of

Sometimes I feel as though I'm frozen in heaven

And I saw my own face in the dark and loneliness And I saw my own face like a spark frozen in heaven

In dreams I see myself flying
Closer to the sun, and I'm climbing
Tried to touch the sun
But the brightness burned my eyes
Unconscious, or am I conscious?
Fell from the sky like a star
Sometimes I feel as though I'm frozen in heaven

And I saw my own face in the dark and loneliness And I saw my own face like a spark

## Dark

My life was so dark...
My mind was so dark...
Everything was dark

Unconscious, or am I conscious? Fell from the sky like a star Sometimes I feel as though I'm frozen in heaven

And I saw my own face in the dark and loneliness And I saw my own face like a spark frozen in heaven Dark bodies floating in darkness...
