

## Edgecrusher

Fear Factory

Conceived in a hell beyond your depth of perception  
Chaotic case of conquerring domination  
Psychopath snaps fired chains of imprisonment  
A bludgeoning force that's undermining the government

Inflict strain upon the structure  
Collapsing below my pressure  
Inflict strain upon the structure  
Collapsing below my pressure

Break of the Edgecrusher...

The purist, non-conformist, jaded subhuman terrorist  
From flesh to steel and blood to blade I fight to exist  
A rival of justice, extreme rush of hatred  
Survival in a twisted world where nothing is sacred

Inflict strain upon the structure  
Collapsing below my pressure  
Inflict strain upon the structure  
Collapsing below my pressure

Break of the Edgecrusher...
