

The world we know has suffered from the system we once knew
Our values were twisted and defiled by the machine
But resistance is growing stronger
We will fight for our future
Humanity depends on us
Do not let our enemy prevail
If you are listening to this, you are the resistance

Imagine your life taken from you
Imagine your life
Now all you see is changing you
Now open your eyes
Open your eyes

Why deny life you dream about?
Why deny your dream?
Why deny life you dream about?
Why deny your dream?
Your dream

A generation gets left behind
Degenerate
I break away for my soul to keep
I break away
I break away

Why deny life you dream about?
Why deny your dream?
Why deny life you dream about?
Why deny your dream?
Your dream

Why deny your dream?

Break away for my soul to keep
Break away for my soul to keep

Break away for my soul to keep
Break away for my soul to keep
My soul to keep

Why deny life you dream about?
Why deny your dream?
Why deny life you dream about?
Why deny your dream?

Why deny—Life you dream about?
Why deny your dream?
Why deny—Life you dream about?
Why deny your dream?
Your dream
Why deny your
Why deny your
Dream
