

System Assassin

Fear Factory

No more
No more
No more
No more

No more
No more
No more

Laws are convoluted
Written to abuse power
Trespass on my rights
Force me into submission

No more will I be a victim
No more will I stand
No more will I be a victim
No more will I stand

No more
No more
No more
No more

I defend from hostility
With pure aggression
Fight to end authority
Without compassion
(I am pain)

System assassin
System assassin

System assassin
Breaking this damn machine
One step back (System assassin)
(No more)
Breaking this damn machine (No more)
No more will I be a victim
No more will I stand
No more will I be a victim
No more will I stand
No more (No more)

I defend from hostility
With pure aggression
Fight to end authority
Without compassion

I defend from hostility
With pure aggression
Fight to end authority
Without compassion
