

Ashes And Diamonds

Feargal Sharkey

Yeah, yeah
Wrap yourself around me now
Hold me close
Just like a little girl
In her daddy's arms

Hold me, hold me
She's got all those things that I need
(She's got all those things he ever wanted)
Ashes and diamonds
(He ever wanted)
Ashes and diamonds
(He ever wanted)

Yeah, yeah
I wonder as you cling to me
And hold me close
Is it here you wanna be
Or in your daddy's arms?
