

Listen To Your Father

Feargal Sharkey

So far, so good
I think you understood
Caught something in your eye
Now you're laughing at the sky, well
I'll tell you one thing:
I bet you never listen to your father

Fact of the matter is
Fate had a hand in this
In your face you're wondering
Of stories of your ???
I'll tell you one thing:
I bet you never listen to your father

It does one's heart good
I'm in a happy mood
There's something that I can't deny
I like to have you by my side

It might well be that we will see more of eachother
We will see more of eachother NOW

I bet you never listen to your father

No more need be said
It showing I am glad
Let me take you by the hand
Lead you to the promised land
I'll tell you one thing:
I bet you never listen to your father

Well I believe in love at first sight
(Ain't it strange?)
I hope that everything will turn out alright
(For a change)
