Bite Down On My Winchester

Fearless Vampire Killers

There was a boy I can recall
Fresh faced and sweet of soul
Never wanted anymore than to love and be loved
Until they beat him down and crushed
His spirits ground to dust
And they chased that boy away for good

Now I want my life
Want my pride and joy reclaimed
Now they'll pay
They'll pay in blood

Run boys
As fast as you can
I'm coming for you
And I won't go easy
Now run boys
Run faster
I'll take back what's mine
I don't care if it kills me

And from that boy a man was born
With a penchant for alcohol
And saw the world with bitter scorn
Alive but not living
A shotgun messenger
Dead eyed scoundrel
Decked out in vampire clothes

All I want is their heads
And their souls locked in a cage
For what they took from me
I'll take it all from them!

Run boys
As fast as you can
I'm coming for you
And I won't go easy
Now run boys
Run faster
I'll take back what's mine
I don't care if it kills me

Revenge is always on my mind
And what I've got in store won't be too kind
Whenever I am feeling blue
I just think about what I will do to you
It's time for you to see yourself for the scum that you are
Then I'll be free
One scream's all I need

Run boys
As fast as you can
I'm coming for you
And I won't go easy
Now run boys
Run faster

Stand up and take it like a man
One shot, hold it steady
No time to be queasey
You better be ready now
