

Let There Be Drums

Feder

Wear me like a piece of gold
On your body keep me close
No inhibition
'Cause we're hitting different
Wear your story on my skin
I know how it's gonna end
Way that we play, give and we take
Don't run away

Tonight, keep it sacred
Let you take me to church
You can light up my body
I believe in your touch
Feel it raising like a wave
Only one thing left to say
On the tip of my tongue

Let there be drums
Dum-dum du-dum dum
Dum-dum du-du dum dum
Dum-dum du-dum dum
Let there be drums
Dum-dum du-dum dum
Dum-dum du-du dum dum
Dum-dum du-dum dum
Let there be drums

Let there be drums
Dum-dum du-dum dum
Dum-dum du-du dum dum
Dum-dum du-dum dum
Let there be drums

Let the rhythm do the work
Take your time on my worth
I'm on the other side
I'm seeing the light
Don't know if it's night or day
I don't even know my name
Look at the view, way that we move
Do what you do

Tonight, keep it sacred
Let you take me to church
You can light up my body
I believe in your touch
Feel it raising like a wave
Only one thing left to say
On the tip of my tongue

Let there be drums
Dum-dum du-dum dum
Dum-dum du-du dum dum
Dum-dum du-dum dum
Let there be drums
Dum-dum du-dum dum
Dum-dum du-du dum dum

Dum-dum du-dum dum
Let there be drums

Let there be drums
Dum-dum du-dum dum
Dum-dum du-du dum dum
Dum-dum du-dum dum
Let there be drums

Dum-dum du-dum dum
Dum-dum du-du dum dum
Dum-dum du-dum dum
Let there be drums
Dum-dum du-dum dum
Dum-dum du-du dum dum
Dum-dum du-dum dum
Let there be drums

Let there be drums
Dum-dum du-dum dum
Dum-dum du-du dum dum
Dum-dum du-dum dum
Let there be drums
