Strangers

Feder

Sick of staring up at the ceiling
I still hear your name like a silent echo
Tell me if your heart isn't in it
'Cause I need to know now

(Ooh) I hate how
(Ooh) I just can't make you stay
(Ooh) I know now
(Ooh) (I know now)

You've got me messed up every time you lie in my bed
'Cause when I wake up, you make it so hard to forget
Yeah, you be in my heart, but I be out of your head
When it suits ya we'll be strangers again

(Whoa oh)
(Be strangers again)
(Uh-huh, yeah) When it suits ya we'll be strangers again

Tryna figure out your intentions
We could have it all, but you figured out
That it's easier to ask for forgiveness
And to treat me so bad
(Yeah)

(Ooh) I hate how
(Ooh) I just can't make you stay
(Ooh) I know now
(Ooh)

You've got me messed up every time you lie in my bed
'Cause when I wake up, you make it so hard to forget
Yeah, you be in my heart, but I be out of your head
When it suits ya we'll be strangers again

(Be strangers)
(Whoa, be strangers again)
(Whoa oh)
When it suits ya we'll be strangers again

You're pushing and you're pulling away
And there's only so much more I can take
I'm drawn in like a moth to a flame
And I don't know why I want you
(Don't know why I want you)

You've got me messed up every time you lie in my bed
'Cause when I wake up, you make it so hard to forget
Yeah, you be in my heart, but I be out of your head
When it suits ya we'll be strangers again
When it suits ya we'll be strangers again
