

Paces

feeble little horse

Cut it off, a corner of the cloth
Devil's in the details
Paces in 22s
Slow rot, buried in the park
Name is on the pavement
Make space for something new

I'm hooked on my loop
Paces in 22s
I've made up a game
Bets if I win or lose

Cut it up, corner of my top
Pulling by the box
Sexiest thing to me
Knock up every little block
Line em up in segments
Lucky it sticks to me

I'm hooked on my loop
Paces in 22s
I've made up a game
Bets if I win or lose
