

Sweet

feeble little horse

I'm only down the street
Can't keep him out of me
Inviting me to leave
See it in everything
I'm stretching out again
Feed off
I'm putting this to bed
My sickness

Too sweet, holes in my teeth
Chewy
Dead dog, passenger locked
It's too hot
Do you think I'm stomaching
A good thing?

I'm only down the street
Can't keep him out of me
Inviting me to leave
See it in everything
I'm stretching out again
Feed off
I'm putting this to bed
My sickness

Too sweet, holes in my teeth
Chewy
Dead dog, passenger locked
It's too hot
Do you think I'm stomaching
A good thing?
