

Empty Mirrors

Feed the Rhino

So you think you're better by yourself
And do you think you're better now?
So you think you're better by yourself
And do you think you're...

Stare, straight, down,
Now that it's in you, in you
Stare, straight, down...

Empty, mirrors,
Empty, mirrors, oh...

Empty, mirrors,
Empty, mirrors,
Stare!
Straight!
Down!
