

## Feeling a Moment

Feeder

Feeling the moment slip away  
Losing direction, you're loosing faith  
You're wishing for someone,  
Feeling it all begin to slide  
Am I just like you?  
All the things you do - can't help myself...

How do you feel when there's no sun?  
And how will you be when rain clouds come and pull you down again?  
How will you feel when there's no one?  
Am I just like you?

Turning to face what you've become,  
Buried the ashes of someone  
Broken by the strain  
Trying to fill that space inside  
Am I just like you?  
All the things you do - can't help myself

How do you feel when there's no sun?  
And how will you be when rain clouds come and pull you down again?  
How will you feel when there's no one?  
Am I just like you?  
All the things you do

Don't ever feel that you're alone  
I'll never let you down, I'll never leave you dry  
Don't fall apart, don't let it go  
Carry the notion, carry the notion back to me, to me...

Feeling the moment slip away  
Feeling the moment slip away

Cause I'm just like you

How do you feel when there's no sun?  
And how will you be when rain clouds come and pull you down again?  
How do you feel when there's no one?  
Am I just like you?
