Tangerine

Tangerine turning green Cellophane window pane Socialize paralysed Plastic faces suck me dry Tangerine Tangerine Tangerine Tangerine I know it's sad Life's just a piece of fruit Touch down, new ground Stop livin' on the moon I know it's sad Life's just a piece of fruit Touch down, new ground Stop livin' on the moon Twentyeight suffocate Take a ride see me fly Detonate, feel it break See myself disintegrate Tangerine Tangerine Tangerine Tangerine I know it's sad Life's just a piece of fruit Touch down, new ground Stop livin' on the moon I know it's sad Life's just a piece of fruit Touch down, new ground Stop livin' on the moon See it as I climb The rain burns in my eyes So catch me as I fall away Tangerine Tangerine Tangerine Tangerine I know it's sad Life's just a piece of fruit Touch down, new ground Stop livin' on the moon I know it's sad Life's just a piece of fruit Touch down, new ground Stop livin' on the moon I know it's sad
