

Legacy

Fefe Dobson

Your face is all I ever see on this crowded street
Like no one's watching you don't care to act a fool with me
You made me dance in public trippin' on my own two feet
Just like a drum my heart is jumping like a trampoline
No where to wash away my worries like the angry sea
Having a good old time never been on the edge of my seat

It's raining lava got me sweating I can feel the heat
the fires ragging no telling what's bout to come for me

If I die tonight at least I left a legacy
If I die tonight at least I left a legacy
If the lights go out I'm forever in your memory
If I die tonight at least I left a legacy

It's true the eyes are the windows of a person's soul
It's like I'm staring in the mirror when I look at you
I turn the heavens down if the devil came for you
I'd rather go through hell or high waters
Yeah it's true

If I die tonight at least I left a legacy
If I die tonight at least I left a legacy
If the lights go out I'm forever in your memory
If I die tonight at least I left a legacy

Your face is all I ever see on this crowded street
Like no one's watching you don't care to act a fool with me
You made me dance in public trippin' on my own two feet
Just like a drum my heart is jumping like a trampoline.

If I die tonight at least I left a legacy
If I die tonight at least I left a legacy
If the lights go out I'm forever in your memory
If I die tonight at least I left a legacy (2x)

If I die tonight at least I left a legacy
