

It's True

Feint

I saw you that night
Holding tears in your eyes
It gave me closure

Now you sad, it's true, it's true
OMG I do love you
I know that I do
Yeah it's true

And now I'm singing, dancing
Looking in your eyes
And I can't help feeling
This is paradise

And you said it's true, it's true
OMG I do love you
I know that I do
Yeah it's true

Oh it's true
Oh it's true

And you said it's true, it's true
OMG I do love you
I know that I do
Yeah it's true

Oh it's true
Oh it's true

And you said it's true, it's true
OMG I do love you
I know that I do
Yeah it's true

Oh it's true
Oh it's true

And you said it's true, it's true
OMG I do love you
I know that I do
Yeah it's true

And now I'm singing, dancing
Looking in your eyes
And I can't help feeling
This is paradise

And you said it's true, it's true
OMG I do love you
I know that I do
Yeah it's true
