

Shockwave

Feint

And we're flying
So close to where we belong
And we're trying
To go somewhere new

And I try to crack this iceberg open
Till it shatters through the ocean
I wanna make shockwaves
I wanna make shockwaves with you
Gonna rule the ocean glory
Till the waves find what's been burning
I wanna make shockwaves
I wanna make shockwaves with you

And I know I'm only getting higher
Till it feels like I can walk through fire
And I know I'm only getting higher
Till it feels like I can walk through fire

Walk through fire
Walk through fire

Trying to step back
And see the view from above
'Cause I know that
Nothing lasts forever

And I try to crack this iceberg open
Till it shatters through the ocean
I wanna make shockwaves
I wanna make shockwaves with you
Gonna rule the ocean glory
Till the waves find what's been burning
I wanna make shockwaves
I wanna make shockwaves with you

Shockwaves with you
Shockwaves with you
Shockwaves with you
Shockwaves with you

Shockwaves with you
Shockwaves with you
Shockwaves with you
