

# The Build Up

Feist

Eirik Glambek :

The build up  
Lasted for days  
Lasted for weeks  
Lasted too long

Our hero  
Withdrew  
When there was two  
He could not choose one  
So there was none

Worn into the vaguely announced  
Worn into the vaguely announced

Feist :

The spinning top  
Made a sound  
Like a train  
Across the valley  
Fading  
Oh so quiet  
But constant 'til it passed  
Over the ridge  
Into the distances  
Written on your ticket  
To remind you where to stop  
And when to get off

The spinning top  
Made a sound  
Like a train  
Across the valley  
Fading  
Oh so quiet  
But constant 'til it passed  
Over the ridge  
Into the distances  
Written on your ticket  
To remind you where to stop  
And when to get off

The spinning top  
Made a sound  
Like a train  
Across the valley  
Fading  
Oh so quiet  
But constant 'til it passed  
Over the ridge  
Into the distances  
Written on your ticket  
To remind you where to stop  
And when to get off  
When to get off

When to get off  
When to get off
