

Caught In A Loop (I've Changed)

Felix Cartal

Caught in a loop and you're
Caught in a loop and you're
Caught in a loop and you're
Caught in a loop and you're
Caught in a loop and you're
Caught in a loop and you're
Caught in a loop and you're changing
And you're
Caught in a loop and you're
Caught in a loop and you're
Caught in a loop and you're
Caught in a loop and you're
Caught in a loop and you're
Caught in a loop and you're
Caught in a loop and you're changing

(Caught in a loop and you're
Caught in a loop and you're
Caught in a loop and you're
Caught in a loop and you're changing)

Caught in a loop and you're
Caught in a loop and you're
Caught in a loop and you're
Caught in a loop and you're
Caught in a loop and you're
Caught in a loop and you're
Caught in a loop and you're changing

It happens every time
You end up where you started
And it makes you feel alive

Days go passing by
All things change with time
Days go passing by
All things change with time

Yeah I've changed too

(Yeah I've changed too)
(Yeah I've changed too)

(Yeah I've changed too)
(Yeah I've changed too)
(Yeah I've changed too)

Caught in a loop and you're
Caught in a loop and you're
Caught in a loop and you're
Caught in a loop and you're
Caught in a loop and you're
Caught in a loop and you're
Caught in a loop and you're changing
