

# Dissociate

Felix Cartal

Why do you dance?  
To come out of the shadows  
Is it a trance?  
Deeper than the shallows  
Are you falling?

Do I pull back?  
For pain or for pleasure?  
What do I lack?  
I'm light as a feather  
Am I falling?

Start to dissociate my body is under me but I'm not here, I'm not here  
Start to dissociate I am watching you watching me disappear, disappear

I dissociate  
I dissociate  
I dissociate  
I dissociate  
I dissociate  
I dissociate  
I dissociate...

I dissociate

I dissociate

Why do you come?  
To see me at the gallows  
Prodigal son  
Feeding from the apple  
Are you watching?  
Am I afraid?  
I'll never find my way back  
Ever again  
Again and again and  
Am I falling?

Start to dissociate my body is under me but I'm not here, I'm not here  
Start to dissociate I am watching you watching me disappear, disappear

I dissociate

I dissociate

I dissociate
