

The Life

Felix Cartal

This is the life, this is the life

Wait

I was taking my, taking my, taking my
Sweet, sweet time
Living my life like I had nine lives
No pain, all glory
That classic youth story
Nothing made me feel alive

Wait

Was I living a, living a, living a
Sweet, sweet lie?
Seeing the world with a fresh pair of eyes
Some pain, some glory
That real life story
That's what makes me feel alive

I used to be naive
Thinking life was just a breeze
But the highs and lows set me free, yeah
This is the life, this is the life, yeah

I used to believe
Believe that life was just a dream
But the highs and lows woke me up, yeah
This is the life, this is the life, yeah

This is the life, this is the life, yeah
This is the life, this is the life

I used to be naive
Thinking life was just a breeze
But the highs and lows set me free, yeah
This is the life, this is the life, yeah

I used to believe
Believe that life was just a dream
But the highs and lows woke me up, yeah
This is the life, this is the life

Wait

I'm still living my, living my, living my
Sweet sweet life
I just had to hit a couple of bumps in the road
To find some meaning
Not something fleeting
Now I've never felt more alive

I used to be naive
Thinking life was just a breeze
But the highs and lows set me free, yeah
This is the life, this is the life, yeah

I used to believe
Believe that life was just a dream
But the highs and lows woke me up, yeah

This is the life, this is the life, yeah

This is the life, this is the life, yeah
This is the life, this is the life

I used to be naive
Thinking life was just a breeze
But the highs and lows set me free, yeah
This is the life, this is the life, yeah

I used to believe
Believe that life was just a dream
But the highs and lows woke me up, yeah
This is the life, this is the life, yeah

This is the life, this is the life, yeah
This is the life, this is the life, yeah
This is the life, this is the life
