

I Got A Feeling

Felix Jaehn

I didn't break, I made it out
Those heavy days don't bring me down anymore
I found a way to make 'em count
'Cause I let the light in, yeah

I got a feeling, I feel it, my head is at home
And when I'm breathing, I breathe in, I'm letting it go
No, no more sleeping, no reason to be in here alone
No more digging up the sad souls

I got a feeling, I feel it, my head is at home
And when I'm breathing, I breathe in, I'm letting it go
No, no more sleeping, no reason to be in here alone
No more digging up the sad souls

I didn't break, I made it out
Those heavy days don't bring me down anymore
I found a way to make 'em count
'Cause I let the light in, yeah

I got a feeling, I feel it, my head is at home
And when I'm breathing, I breathe in, I'm letting it go
No, no more sleeping, no reason to be in here alone
No more digging up the sad souls

I got a feeling, I feel it
A feeling, I feel it
I got a feeling
No more digging, no more digging
No more digging up the sad souls

I got a feeling, I feel it, my head is at home
And when I'm breathing, I breathe in, I'm letting it go
No, no more sleeping, no reason to be in here alone
No more digging up the sad souls

I got a feeling
I got a feeling
I got a feeling
Digging up the sad souls
