

# SICKO

Felix Jaehn

Yeah, you're insane  
Don't care what they say  
Cause I wanna get in your face  
And how do you taste?  
I wanna know, I gotta know  
Well, I wanna play  
Don't care what they say  
I'm wavy too, for you

Loud and tipsy  
No, I don't mean it  
Loud and tipsy  
Wait, do I mean it  
Loud and tipsy  
What am I feeling  
I feel it  
I feel it  
Loud and dizzy  
I know I want it  
Loud and living  
Baby, get on it  
Drink it down  
I'm just being honest  
Honest

I'll be like I'm a sicko  
No, you don't know who you're playing  
Overdose  
You can't take me on a daily, daily  
Yeah, baby, I'm a sicko  
I'll be like I'm a sicko  
No, you don't know who you're playing  
Overdose  
You can't take me on a daily, daily  
Yeah, baby, I'm a sicko

Run it up, run it up  
Kiss me and now you buzzed  
Fill it up, fill the cup  
Until it's not enough  
Sip it up, taste my love  
Cuz you know I'm your drug  
Now enough  
That's what it does

And you don't want to come near me  
Acting all silly  
The whole squad is with me  
In da club, just like 50  
And now you know  
Getting girls that look like Dua and Rita Ora  
But they all walk away when they go out and find out that, that

I'm a sicko  
No, you don't know who you're playing  
Overdose  
You can't take me on a daily, daily

Yeah, baby, I'm a sicko  
I'll be like I'm a sicko  
No, you don't know who you're playing  
Overdose  
You can't take me on a daily, daily  
Yeah, baby, I'm a sicko
