

# Somebody You Like

Felix Jaehn

You don't know me  
D'you wanna dance, dance with me?  
Hearts wide open  
D'you wanna take, take a chance with me?

I go with the flow to see where it goes  
You know you don't know, you know if you don't  
Go with the flow to see where it goes  
You know you don't know, you know

What if you come with me tonight  
Give me just a bit of your time  
Maybe you'll come to realise  
That I could be somebody, I could be somebody you like

(Ooh yeah)  
Somebody you like  
(Ooh yeah)

When you hold me  
D'you feel the same energy?

Like you could go with the flow to see where it goes  
You know you don't know, you know if you don't  
Go with the flow to see where it goes  
You know you don't know, you know

What if you come with me tonight  
Give me just a bit of your time  
Maybe you'll come to realise  
That I could be somebody, I could be somebody you like

(Ooh yeah)  
Somebody you like  
(Ooh yeah)

Somebody you like, somebody you like  
Somebody you like, somebody  
Somebody you like, somebody you like  
Somebody you like, somebody
