

# Crying In Sunshine

Felly

(Well you guys aren't girls... But it'd be better if you were)

My hands are dirty  
Burning the daylight  
Swimming through plastic  
Raining in paradise  
Into my sadness  
I do a stage dive  
Letting it happen  
Crying in sunshine

Blame my zodiac, cognac  
Mixed up with the 40 bag  
Turning to a heart attack  
Drunk looking for a place  
Pray on shooting stars  
But they far up in outer space  
Give me grace, give me faith  
Give me something you can't fake  
Summer passed, fall back, winter time close  
Caught a flat, had to laugh, that's a bad joke  
Never quite there, no, it's always all almost  
Nothing last house of glass  
But where my insomniacs  
Go where the zombies at  
Sleep in a body bag  
Ask where the party at  
Sleep walking inside this black hole

My hands are dirty  
Burning the daylight  
Swimming through plastic  
Raining in paradise  
Into my sadness  
I do a stage dive  
Letting it happen  
Crying in sunshine  
Crying in sunshine

Yeah I'm low, yeah I'm low, yeah I'm low, yeah I'm lonely  
Yeah I'm low, yeah I'm low, yeah I'm low, yeah I'm lonely

Yeah, I swear this shit don't make no sense  
It feel like yesterday I hit the corner store with friends  
I never even landed on my feet, I'm on my head  
And I don't even sleep when I'm in bed  
What's the point? Why am I even paying rent?  
Bitch, I'm bluer than the feds  
And that just mean I'm sad, yeah, I said what I said  
I know, I know it's bad but I'll complain when I'm dead  
And spending time awake is what I dread  
I get angry and my cheeks are burning red

My hands are dirty  
Burning the daylight  
Swimming through plastic  
Raining in paradise

Into my sadness  
I do a stage dive  
Letting it happen  
Crying in sunshine  
Crying in sunshine

Yeah I'm low, yeah I'm low, yeah I'm low, yeah I'm lonely  
Yeah I'm low, yeah I'm low, yeah I'm low, yeah I'm lonely  
Yeah I'm low, yeah I'm low, yeah I'm low, yeah I'm lonely  
Yeah I'm low, yeah I'm low, yeah I'm low, yeah I'm lonely

Yeah I'm low, yeah I'm low, yeah I'm low, yeah I'm lonely  
Yeah I'm low, yeah I'm low, yeah I'm low, yeah I'm lonely  
Yeah I'm low, yeah I'm low, yeah I'm low, yeah I'm lonely  
Yeah I'm low, yeah I'm low, yeah I'm low, yeah I'm lonely

Yeah I'm low, yeah I'm low, yeah I'm low, yeah I'm lonely  
Yeah I'm low, yeah I'm low, yeah I'm low, yeah I'm lonely
