

Doing What I Like

Felly

Doing what I like
When I like
Cuz that shit you like
Wakin' to the light
Check my flight
I'll be there on time
Young and terrified
I can't lie
I can't tell a lie
Used to see your side all the time
Now I'm doing what I...

Doing what I like
Hit it in motion, I get it and go
Might , she come to my show
My work gon live on forever Yeah forever I'm stackin' my (O's)

Doing what I
Just said I would do
If it wasn't chasin' bitches
We were skippin' out school
If it wasn't for sweet Jesus

I'd be killin' y'all too
bitch my on the move
Buzz it, buzz it
See you blushin' I ain't even need no introduction
Wanna lick it, wanna touch it
Tryna say what's up with it
I got I put a price on your head
I don't want nothin' but Bitch, I might I put the flow in the I
push the base to the store
Don't wanna hear on you Do what I'm likin' it for
I put a score in a four
I'm gonna keep this shit short
Bitch
