

# Don't Change

Felly

Waves...

Please don't waste your time on me  
I'm not like everybody else you'll see  
No, no, no

Fuck that last shit, I be done with it  
That soft shit get nailed to the coffin  
Been on that wax while I'm whip in my office  
Go too damn stupid to be in the college  
My bitch be smelling like chemical product  
Ridin' Denali, it flatten my pockets  
Shawty won't cut, we gon' cut like a forest  
Move through CT and I run shit like Forrest

This shit come in waves, I can't help it I'm strange  
Hate everything that I make  
Take all my pain to the bank  
Lost in the waves of LA  
Problems they swim through my change  
That mood, it gon' change  
I can't figure my brain, no  
Don't wanna sit and just think  
That's why I'm sipping my drink  
Soft as water, hard as stone, I can't let myself go  
And everybody wants your soul, man, you've got to take control  
Don't let go

Please don't waste your time on me  
I'm not like everybody else you'll see  
No, no, no

Blacked out, ride my skateboard through the back al  
Give my shorty a dap pound  
Ignorance on the rise cause that shit sell  
Codeine, codeine, homie, get well  
Raw flesh, don't investigate shit  
You already know what it is  
You know I blow out that piff  
You know how many fucks I give  
You know the function is lit  
Up

You're worse than before  
When you gon' give up that torch?  
And lock all the doors  
"Homie don't live here no more"  
Shouldn't be stuck in the cage  
Lost in my ways  
Lost in the waves  
Listen to what she might say  
"Boy you gon' float away"  
"Boy you gon' float away"  
"Boy you gon' float away"  
"Boy you gon' float away"  
"Boy you gon' float away"
