

Cup full but I'm empty
If you love me, why'd you let me go?
On my own it gets messy
If there's hope, won't you let me know

Don't go
Promise me that you gon' hold on
Don't go
I don't think we better solo

Such a tragedy
How you skip town so casually
Mixin' up the Hennessy
I don't think it's worth all my energy
You my enemy
We was talking 'bout havin' a family, oh-oh, oh
Girl, you get to me
If you was in my shoes, you would get to see
I'm a fool for you
Failed to show you it my actions but you know it's true
Mixin' love and passion, got me black and blue
Pourin' up another 'til I tell the truth
I'm just tryna get to you, and my

Cup full but I'm empty
If you love me, why'd you let me go?
On my own it gets messy
If there's hope, won't you let me know

Don't go
Promise me that you gon' hold on
Don't go
I don't think we better solo

Fool for you, it's true
You got my heart, don't tear it apart, oh, oh
Fool for you, it's true
I'm in the dark, I'm in the dark
Fool for you, it's true
You got my heart, don't tear it apart
Fool for you, it's true
I'm in the dark, I'm in the dark

Fool for you, it's true
You got my heart, don't tear it apart
Fool for you, it's true
Girl, I'm in the dark, I'm in the dark
