

Fallin

Felly

Ay ay ah
Ay ay ay, ay ay ah
Ay ay ay, ay ay ah
Ay ay ay, ay ay ah
Ay ay ay

All I ever want, my baby
Right there, in my bed, just waitin'
Fallin', I'm all in, come save me
Lost in this world
And all I
All I ever want, my baby
Right there in my bed, just waitin'
Fallin', I'm all in, come save me
Lost in this world

Bad 'lil college ho do me like that
Don't do me no wrong, shit I never come back
Fat ass wonder why I'm trippin' 'bout that
Never seen it so round now I need it so bad
Rockstar livin' shit be 24/7
I be livin' so foul, I just hope I don't crash
Fuckboys pressin' me like tabloids
Brash 'lil homie don't ask what I got in my bed
Carolina winters I be gone in November
He a young breadwinner in and out of the stash
Slow it down like a sip from the Act
And fall short, what you did for your past
Cuttin' off hoes like I was taught to
You go home and there's no one to talk to
Man this shit gets so cold got my heart [?]
Round the world with these girls but I'm still thinkin' 'bout you
Damn

All I ever want, my baby
Right there in my bed, just waitin'
Fallin', I'm all in, come save me
Lost in this world
And all I
All I, ever want, my baby
Right there in my bed, just waitin'
Fallin', I'm all in, come save me

You been blowin' my phone up
Lord knows I been workin'
Talk to me like a grown up
'Lil girl is you certain?
Steady wastin' my time
Blockin' my shine, 24/7 my grind
24/7 these lies, yeah

All I ever wanted was to have you here with me
[?] my therapy
We can only do this if you give this shit a try
I'll do all the things you say you like yeah

All I ever want, my baby

Right there in my bed, just waitin'
Fallin', I'm all in, come save me
Lost in this world
And all I
All I, ever want, my baby
Right there in my bed, just waitin'
Fallin', I'm all in, come save me
Lost in this world
And all I
All I, ever want, my baby
