

(La da da da da da)  
(La da da da da da)  
(La da da da da da)  
You been in my head  
Through my day  
And my bed  
Smellin' like maple from your skin  
And your friends, don't do shit  
I wonder how you been  
Where you been  
In whose bed  
In whose heart  
I tried to be playful, but you said  
That we through  
I can't do friends  
I wonder how you been

Shorty cut me off, she don't wanna talk  
She just wanna flaunt  
Shi-shimmy ya, fuckin' on my bruh  
Yes I paid the cost for these silly thots  
But I was on tour love was not involved  
How am I so wrong? (Uh)  
You still tell your friends I'm your boyfriend  
Boyfriend? Boyfriend? I should be rejoicing  
I'm a free man now that's 'cause of my choices  
But every time I try to move on I hear these voices

'Cause you been, in my head  
In my day  
In my bed  
Smellin' like maple, from your skin  
And your friends, don't do shit  
I wonder how you been  
Where you been  
In whose bed  
In whose heart  
I tried to be playful, but you said  
That we through  
I can't do friends  
I wonder how you been

Time that I wasted I could've been moved  
Stack all this paper and spent it on you (Uh)  
Basquiat paintings all over the room, lighten your mood (Ay)  
Sorry that I am so rude, sorry that I am that dude  
She askin' if I know Russ, I'm tryna get to my room (Ay)  
Be with my crew  
My chain swang blunts rotate like Beyblade  
Hoes bang like Tay Kay they tryna ask about Tayshayy  
We doin' the same thing like every night why rotate?  
Thought the shit was throwaway  
White boy no Coldplay  
Through the boroughs like summer Santana  
My bandana be yellow like a banana  
My bands been up you been brittle  
This money can't buy me time

That Canada far from dry  
I'm sippin' that bye bye bye  
Big up mi gyal ting one time

'Cause you been, in my head (You been, whose bed)  
In my day (Whose heart?)  
In my bed (My bed)  
Smellin' like maple, from your skin (Maple, skin)  
And your friends, don't do shit  
I wonder how you been  
Where you been  
In whose bed  
In whose heart  
I tried to be playful, but you said  
That we through  
I can't do friends  
I wonder how you been
