

## I Don't Know Which Way to Turn

Felt

I don't know which way to turn  
all the lessons I have learned are  
meaningless because I'm free to  
deceive all who believed I deliver  
best when I'm deprived of all the  
things I need that's just me can't  
you see that I despise integrity  
and if it hurts to be so sure and  
if you're not as sure then surely  
you should change your point of view  
and if I was to say let's change then  
we would change today because change  
is just a phase we all go through  
when I'm up there on the stage I just hide my eyes and  
pray that  
soon enough the show will end  
why do I go through this hell  
each time I question myself but  
next night I'm up there again  
it's the same as real life I want to  
end that as well and if it's wrong  
then it's right to me because I can see  
the goodness in the things you're  
going to do it's not a case of what is  
right or wrong it's just as long as  
you can see what we were having to do
